*July 1, 2011*

**Farmingville, NY** - Brookhaven Town Councilwoman Jane Bonner announced today that by working with the office of the New York State Regional Director of the Department of Environmental Conservation, a temporary permit has been granted to locate a playground at Veteran's Park in Rocky Point.

"This permit is necessary to make use of the Suffolk County Downtown Revitalization grant funds to locate a playground for the community on land that is currently owned by New York State and under stewardship of the Brookhaven Business Community Alliance (BBCA)," commented Brookhaven Town Councilwoman Jane Bonner. "After many months working on this project, I am happy to report that we have cut through the red tape to pave the way for the development of this family-friendly playground." She continued, "I want to thank Joe Kessel Jr., who worked tirelessly on this grant application to secure funding for this purpose. The BBKA and I have agreed all along that a new playground in Veterans Park is another step forward in our efforts to revitalize downtown Rocky Point."
